

OWNNA

**Extracting information from
HUBWORKS**

Extracting the data from HUBWORKS

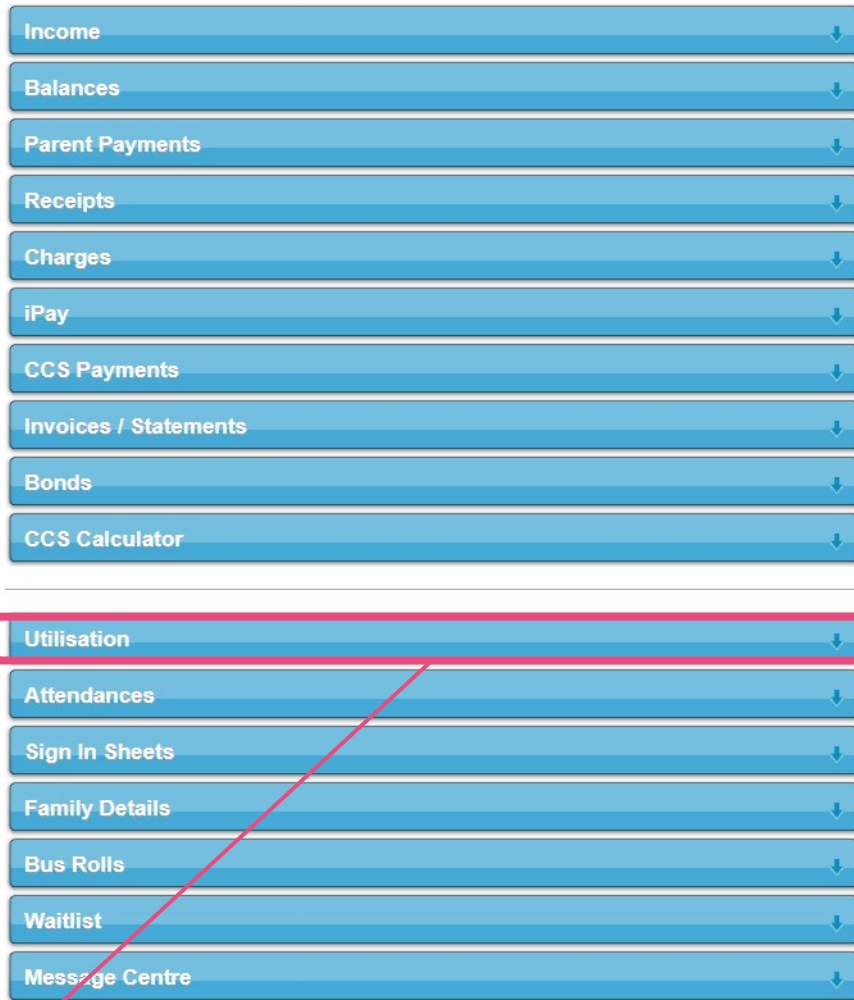

We will be extracting 3 reports:

- ① Attendances
- ② Parent Contact information
- ③ Family Balances

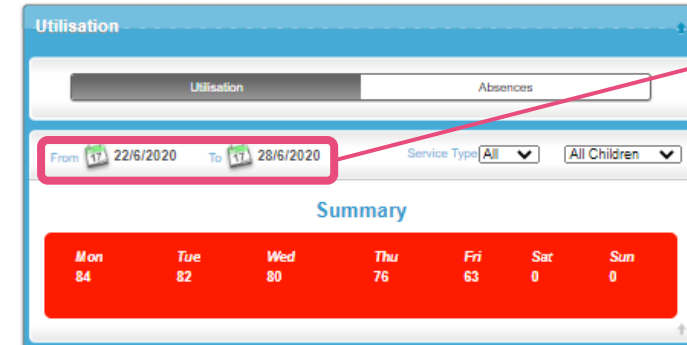

1. Attendances

1 Click on Reports

2 Click on Utilisation

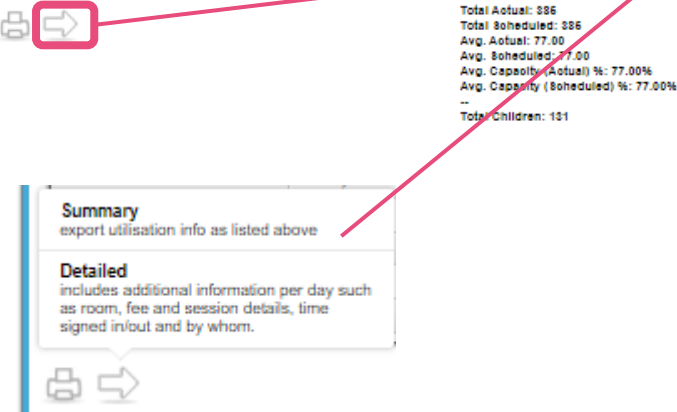

3 Click on the to & from dates (Select the next week)

4 Click on the Arrow & you will be presented 2 options: Summary & Detailed

Please download both reports

5

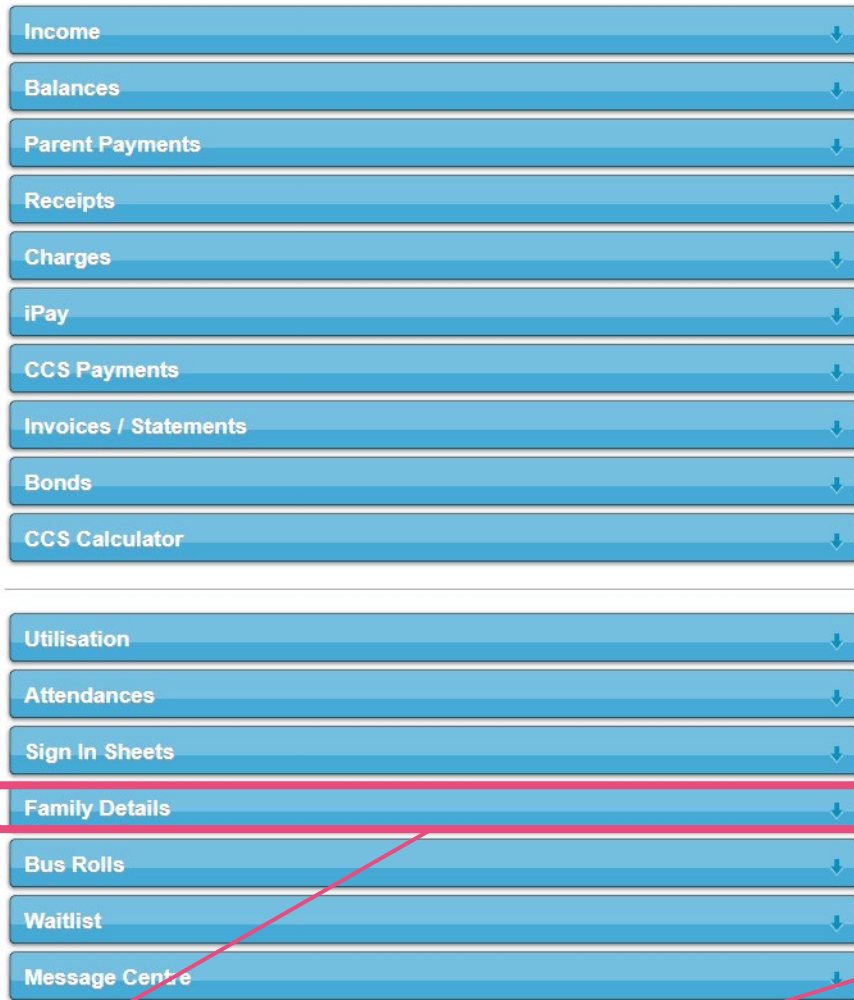

The file will appear at the bottom of your screen in a excel CSV format and is typically stored to your Downloads folder on your computer

Note: Depending on your browser, the download might be blocked, so please enable downloads if you receive this message.

2. Parent Contact Information

1 Click on Reports

2 Click on Family Details

Family Details
